

About

We connect people with resources propelling individuals and families to reach their fullest potential to create a thriving community. In order to achieve our mission, we invest in programs, community partnerships, and volunteer engagement in youth and family success, economic vitality and health and wellness.

How You Can Help

Corporate Engagement and Volunteer Opportunities

- Elevate your Brand
- Impact your community
- Promotes Corporate Citizenship
- Fosters Team Building

Together with our partners we offer a variety of corporate engagement volunteer activities

Volunteerism not only brings about a positive impact on our community, but it also inspires personal happiness and joy. Volunteers are important partners in our work to build a stronger, thriving community – particularly for struggling families. Get involved, make a difference.

Who We Help

ALICE is an acronym for Asset Limited, Income Constrained, Employed, and represents the growing number of families who are unable to afford the basics of housing, child care, food, transportation, health care, and technology. These workers often struggle to keep their own households from financial ruin, while keeping our local communities running.

ALICE may be a relative or friend. You may be ALICE. As cashiers, waiters, child care providers, and other members of our essential workforce, ALICE earns just above the Federal Poverty Level but less than what it costs to make ends meet. These struggling households are forced to make impossible choices each day. While such hardship is pervasive, households of color are disproportionately ALICE.

ALICE also represents the data reshaping the dialogue on financial hardship, and a grassroots movement that is picking up steam across half of U.S. states - and counting.
